

Creative Writing Course: Poetry

This will be a workshop-format course, so we all may help one another improve our poetry.

We shall focus on what is strong in your work and find ways to strengthen those elements of your writing that need improvement.

I shall also bring examples of some good contemporary poems that may be a stimulus to you.

Let us enjoy this opportunity to learn from one another and go forward from here.

Leader: Sam Hamod, PhD, has taught at The Writers Workshop of The University of Iowa as well as in Princeton, Michigan, and elsewhere. He has published 15 books of poems.

Mondays: 1:30 p.m. to 3:30 p.m., 4 weeks: October 7 through October 28
